PRODUCT CATALOGUE

OUR VISION & MISSION

OUR VISION

To be the trusted leader in composite wood solutions, enhancing outdoor living with innovation, quality and lasting value.

OUR MISSION

01

QUALITY PRODUCTS

We deliver premium composite wood decking that combines durability, beauty and low maintenance.

02

CUSTOMER SATISFACTION

We are committed to understanding our customers' needs and providing reliable solutions and service at every step.

03

SUSTAINABLE OUTDOOR LIVING

We promote environmentally responsible materials and practices to create outdoor spaces that last for generations.

WHAT IS COMPOSITE WOOD DECKING

Composite wood decking is a high-performance outdoor flooring solution made from a blend of natural wood fibers and advanced polymers.

It delivers the natural beauty of wood with superior durability and minimal maintenance, perfect for outdoor living.

REALISTIC WOOD GRAIN TEXTURE

Natural wood look with refined embossing for an authentic feel.

CRACK & SPLINTER RESISTANT

Engineered to resist cracking, splitting and warping for long-lasting performance.

LOW MAINTENANCE

No painting, sanding or oiling required.
Easy to clean and maintain.

EXCELLENT WEATHER RESISTANCE

Withstands sun, rain, humidity and temperature changes.

IDEAL FOR OUTDOOR LIVING

Durable and safe surface, perfect for decks, patios, poolside and more.

THE ADVANTDECK DIFFERENCE

ADVANTDECK is engineered for superior performance and built to elevate outdoor spaces beautifully. Designed for Singapore's climate and beyond, it delivers lasting value with minimal maintenance.

From residential to commercial, ADVANTDECK is the ideal choice for creating functional, durable and beautiful outdoor environments.

ADVANTDECK®
ENGINEERED FOR LIFE

BUILT FOR BEAUTY. ENGINEERED TO LAST.

FEATURES OF ADVANTDECK

ADVANTDECK combines the natural beauty of wood with advanced technology to deliver exceptional performance for outdoor living.

TOUGH POLYMER GUARD

Advanced polymer protection layer resists scratches, stains and environmental stress.

STAIN RESISTANCE

Resistant to wine, coffee, soy sauce and vegetable oil – easy to clean, worry-free enjoyment.

NO PAINTING, SANDING OR OILING

Save time and maintenance cost. No painting, sanding or oiling required.

PROTECTION AGAINST MOLD & ROT

Designed to resist mold, mildew, rot and splitting for long lasting durability.

RESISTANCE TO WEATHERING

Withstands sun, rain and humidity. Built for Singapore's tropical climate.

HIGH RECOVERABILITY

Excellent dimensional stability with low expansion and contraction for a smooth and safe surface.

LOW THERMAL CONDUCTIVITY

Stays cooler under the sun, comfortable for bare feet even on hot days.

LOW MAINTENANCE

Easy to clean and care for. More time to enjoy your outdoor spaces.

ADVANTDECK is the ideal choice for creating functional, durable and beautiful outdoor environments that stand the test of time.
